Semester Dates	15 September – 14 March	15 March – 14 September
Lecture Period	1 October – 23 January	16 March – 10 July (tbc)
Exam Period	24 January – 7 February	11 July – 29 July (tbc)

Course Offer & Application

Courses are taught in German and English:

www.th-ab.de/course-offer

Each course awards a fixed number of ECTS credits. In Germany, 30 ECTS credits equal a regular workload. Although Aschaffenburg UAS does not have an ECTS requirement, we strongly recommend taking at least 10 ECTS credits per semester.

After you have been nominated by your home university, you will be asked to apply online to Aschaffenburg UAS. At the end of the online application process, a PDF document will be generated. Please print it and send the signed application form to incoming@th-ab.de.

Further information can be found online:

www.th-ab.de/apply-online

Accommodation

Two halls of residence on and near the campus provide accommodation for 269 students. There are individual apartments with kitchenette, shower and toilet as well as single rooms in shared apartments. The halls are run by Studierendenwerk Wuerzburg:

www.swerk-wue.de/en/aschaffenburg/accommodation/student-residencies

Grading System

Local	Grade Definition
1,0 – 1,5	excellent / very good
1,6 – 2,5	good
2,6 – 3,5	satisfactory
3,6 – 4,0	sufficient
5,0	fail

Buddy Programme & Welcome Weeks

As an international student, you will be matched with a local "buddy" who will help you to get settled in Aschaffenburg. Your buddy, who will be a full-time student at Aschaffenburg UAS, will help you with all your administrative and social queries on arrival in Aschaffenburg and during the Welcome Weeks.

Health Insurance

All students studying in Germany need a valid health insurance which is recognised in Germany. European citizens can send us a scan of their EU health insurance card to arrange for an exemption. Students from other countries may take out insurance from a German health insurance provider before or during the Welcome Weeks (~ 130 EUR per month).

Semester Fee

All students of Aschaffenburg UAS, including Erasmus+ and exchange students have to pay a semester fee of 70 EUR. You will receive further information after your application.

Arrival

[Frankfurt am Main \(FRA\)](#) airport is the closest major airport to Aschaffenburg (~ 50 km). From Terminal 1, it is easy to reach Aschaffenburg Hbf (main station) by train. From there, you can take a bus or train to get to the university (Hochschule, Aschaffenburg or Aschaffenburg Hochschule). We recommend using the [DB Navigator app](#) or the [Deutsche Bahn](#) website for planning and buying a ticket.

Be careful: some slower travel options may require a different ticket. Also note that there are two different train stations at Terminal 1. ICE trains are the fastest option. They leave from "Frankfurt Flughafen Fernbahnhof".
