

# Blended Intensive Programme Risk Leadership in Business

**9th-13th March 2026**  
**Welcome to France !**

Co-funded by  
the European Union

By attending the Blended Intensive Programme, you will be able to:

- Earn 5 ECTS
- Improve your intercultural skills as part of an international team
- Collaborate and interact with fellow students from Finland, France, Germany, Italy, Spain and Sweden
- Learn how to become a confident, forward-thinking risk leader!

In today's fast-changing world, smart risk management is key to staying ahead. During this BIP you will learn about the different types of risks that companies face today. You will discover how to identify, assess, and transform them into opportunities for growth.
